About Friends of the Animal Shelter and our Wags to Wishes Campaign

Friends of the Animal Shelter of St. Joseph, Inc. is an all-volunteer nonprofit 501(c)(3) organization that assists St. Joseph Animal Control & Rescue in caring for and finding homes for shelter animals. Our mission is to increase adoption and redemption rates while minimizing the number of euthanized animals, educating our community regarding animal care and welfare issues, and helping care for the medical needs of all sick and injured animals that come through St. Joseph Animal Control & Rescue. In addition to saving the lives at our current animal shelter, our organization has focusing fundraising efforts on creating a much-needed new animal shelter for St. Joseph and surrounding communities. Your sponsorship, donation and/or participation in this tournament will help us make the new animal shelter a reality!
